--------------------------	---

POLITICAL BACKGROUND

1. Beginning with the most recent position, please list public offices which you have held. Include positions on appointive Boards or Commissions.

Public Office	Elective or Appointive?	Dates Held	Leadership Role (if any)
I running for office first time, but I have years of experience tons of ability for the office of Supervisor for the district6			

2. If you ran for public office but were not elected, please list those races below:

Office Title	Year of Run
It is my first time that I publicly running for office	

QUESTIONS

1) **Are you currently a member of the San Francisco Young Democrats in good standing?**

2) **Why are you running, and what makes you qualified for this position?**

I running for office because I love Civic life and I love information of progress and improvement of the City .present time in the office of District6 , is nice looking fellow, but he is not right person for that office, I am that person and that is reason why I running. And my qualification is my ability to deep annualize situation witch is in district 6.Just same sign of wrong choise of present Supervisor. Crime is on rise in the Mission district and Mr. Daly bad relationship with police, his not understanding function small business of district and his favoritism and cronyism. Let me be on podium with Supervisor for District6 Mr. Daly and You will be see difference, and that is my qualification.

3) **What are the main challenges facing the city of San Francisco in the context of this position and how will you address those issues, if elected? If you are the incumbent,**

please list three accomplishments while in office.

There is big need for San Francisco to improve communication from suburbs, because of that San Francisco loosing much needed capital. And because to massive improvement of transportation it will be loose much more ,if is not improvement, to San Jose. And there is crime To curbs on arising.

- 4) Identify two challenges to San Francisco's young people in the context of the position you seek. What specific commitment will you make to address these issues if elected? If you are the incumbent, how have you addressed these challenges while in office?**

Because I am artist myself and junk people have big interest in arts there is what I like to work with on. And bring best artist and arts environment to the San Francisco. And San Francisco is city where big social movement started by junk people.

- 5) If (re-)elected, how, specifically, would you work with SFYD to engage more of San Francisco's young people in the political process?**

I will be very close to SFYD

- 6) Have you collaborated with young people in your work in the past (list specific examples)? What value did you experience in working with young people? How are young people involved in your campaign? All my friend are mostly junk people ,my campaign just started, do you like me help me?**

EXPERIENCE

Please list or describe your current and past activities in the community in which you have acquired skills that relate to the office you seek. Include your role in the activity and the year(s) in which you were involved. Involvement consists of many areas such as family, neighborhood, community, employment, or public life. Please explain how your experience would make you an effective advocate for young people as an office holder.

I come to San Francisco on political asylum from communist Czechoslovakia ,because my under grant political activity, I do not saying that political situation is same heir, but I saying that I have deep understanding of cooperating and needs for cooperation ,junk people have big advantage in this process, because of their pure intentions. And seeing positively, and that did not change in me.

Please include the following when you submit your candidate survey: a resume and a photo.
